

Site Council Minutes 10/10/2016

Present:

Iris Love

Michele Arntz

Laura Moulton

Cynthia Plank

Regina Sun

Harriette Vimegnon

Note: I talked to Amanda Littlejohn today and she wasn't on the last Site Council email - I've added her to this one, and she plans to be at the next meeting.

- 1). Event on Tuesday, 10/11 for Sterling Eltagonde. Tree dedication and performance by the Ambassadors.
- 2). October 16th: Outdoor School for 6th graders.
- 3). Spaghetti dinner will be 10/24.
- 4). PTA meeting: Wednesday, October 12th. Carol Campbell from Grant High School will be speaking.
- 5). No school on 10/14, due to teacher inservice meetings.
- 6). School dance on 10/28 - volunteers needed. 4-6 p.m.
- 7). Cynthia suggested the idea of including a list of field trips in the ROAR, to help with general planning.
- 8). Michele gave an update on DBRAC, and let us know that the interim superintendent has proposed that they wait to do Roseway Heights and Tubman, and that Vernon students are still slated to attend Beaumont. Harriette cited ongoing concerns regarding space. Would the district like help promoting the space? Perhaps a full color brochure advertising the windowless basement room with toxic levels of radon and asbestos would be helpful? I propose we add ferns to liven up the space. Is there a budget for adolescent-sized hazmat suits? [wish I could claim that idea, but it goes to Iris].
- 9). Foundation match is ending soon - watch for updates in the Beaumont newsletter.

10). Classroom teachers are having a box top competition among classes.

Thanks, all, and look forward to seeing you all next month on Monday, November 14th at 4.
