Resolution Dissolving the Portland Schools Real Estate Trust

**RECITALS**

- A. In February 2002, the Board of Education ("Board") accepted a Long Range Facilities Plan which included in its recommendations the creation of a "Portland Schools Real Estate Trust" ("Trust").
- B. The Trust was created in 2002, and an agreement with Portland Public Schools (District) to provide assistance in real estate matters was authorized by the Board in 2007. The Trust is a single-member, Oregon, not-for-profit Corporation organized under Oregon statutes. The District is the sole member of the Trust.
- C. In May of 2012, the Board accepted a revised Long Range Facility Plan that guides management of District real estate.
- D. The term of the agreement between the District and the Trust has expired.

**RESOLUTION**

- 1. The Board recognizes the significant contribution of the Trust Board of Directors and Corporate Officers who served in a volunteer and advisory capacity and provided particular expertise and valuable professional services to the District relating to its real estate holdings.
- 2. The Board authorizes dissolving the Trust.

**RESOLUTION No. 5188**

Authorizing Creation of Drug, Alcohol and Tobacco Prevention, Health Education Program

**RECITALS**

- A. Students have a right to attend school in an environment conducive to learning. Since student drug, alcohol and tobacco use is illegal and harmful and interferes with both effective learning and the healthy development of students, the school has a fundamental legal and ethical obligation to prevent unlawful drug, alcohol and tobacco use and to maintain a drug-free educational environment.
- B. After consulting with parents, teachers, school administrators, local community agencies and persons from the drug, alcohol or health service community who are knowledgeable of the latest research information, the Board will approve a written plan for a drug, alcohol and tobacco prevention and intervention program.
- C. The district's drug, alcohol and tobacco curriculum will be age-appropriate, reviewed annually and updated as necessary to reflect current research.
- D. Drug, alcohol and tobacco prevention instruction will be integrated in the district's health education courses. Students not enrolled in health education shall receive such instruction through other designated courses. At least annually, all senior high school students shall receive such instruction. Instruction shall minimally meet the requirements set forth in Oregon Administrative Rules.
- E. The district will include information regarding the district's intervention and referral procedures, including those for drug-related medical emergencies in student/parent and staff handbooks.
- F. Intervention is defined as the identification and referral of students whose behavior is interfering with their potential success socially, emotionally, physiologically, and/or legally as a result of prohibited drug, alcohol and/or tobacco use.
- G. Any staff member who has reason to suspect a student is in possession of, or under the influence of unlawful drugs, alcohol, other intoxicants or tobacco on district property, on a school bus or while participating in any district-sponsored activity, whether on district property or at sites off district property, will escort the student to the office or designated area and will report the information to the principal or his/her designated representative.
- H. The principal or designee will:
  - x Call the police if deemed appropriate;
  - x Call the parents for a meeting;
  - x Discuss the incident with student, parents if available and police if contacted;
  - x Impose the penalty for violations using due process procedures;
  - x Tell parents about resources which offer treatment or assistance for young people suffering from drug-, alcohol- or tobacco-related problems.
- I. Students possessing, using and/or selling unlawful drugs, including drug paraphernalia, alcohol and tobacco on district property, in district vehicles, at district-sponsored activities on or off district grounds shall be subject to discipline up to and including expulsion. Students may also be referred to law enforcement officials.

December 15, 2015

- J. Each year the administration will meet with law enforcement officials to discuss:
  - x Who the school should call for suspected violations of the law or other needs;
  - x How school representatives should handle evidence of a suspected offense
  - x What questioning procedures may take place on district property;
  - x Other needs of the district and law enforcement to avoid conflicts or confusion before a substance- related incident occurs.
  
- K. In general, drug-related medical emergencies will be handled like a serious accident or illness. Immediate notification of the community emergency care unit is required. Trained staff members will assist the student in any way possible. Parents shall be contacted immediately.
  
- L. The district will actively seek funds from outside sources either independently or through coordinated efforts with other districts, community agencies or the education service district for drug-free schools grants.
  
- M. Funds needed to support district activities related to unlawful drug, alcohol and tobacco prevention will be identified by source, partic

**RESOLUTION No. 5189**

Authorizing Creation of Human Sexuality, AIDS/HIV, Sexually Transmitted Diseases,  
Health Education Program

**RECITALS**

- A. The District shall provide an age-appropriate, comprehensive plan of instruction focusing on human sexuality, HIV/AIDS and sexually transmitted infections and disease prevention in elementary and secondary schools as an integral part of health education and other subjects.
- B. Course material and instruction for all human sexuality education courses that discuss human sexuality shall enhance students' understanding of sexuality as a normal and healthy aspect of human development. In addition, the HIV/AIDS and sexually transmitted infections and disease prevention education and the human sexuality education comprehensive plan shall provide adequate instruction at least annually, for all students in grade 6-8 and at least twice during grades 9-12.
- C. Parents, teachers, school administrators, local health department staff, other community representatives and persons from the medical community who are knowledgeable of the latest scientific information and effective education strategies shall develop the plan of instruction and align it with the Oregon Health Education Standards and Benchmarks.
- D. The Board shall approve the plan of instruction and require that it be reviewed and updated biennially in accordance with new scientific information and effective educational strategies.
- E. The comprehensive plan of instruction shall include the following information that:
  - x Promotes abstinence for school age youth and mutually monogamous relationships with an uninfected partner for adults;
  - x Allays those fears concerning HIV that are scientifically groundless;
  - x Is balanced and medically accurate;
  - x Provides balanced, and accurate information and skills-based instruction on risks and benefits of contraceptives, condoms and other disease reduction measures;
  - x Stresses avoidance of high risk behaviors such as the sharing of needles and syringes for injecting illegal drugs and controlled substances;
  - x Discusses the characteristics of the emotional, physical, and psychological aspects of a healthy relationship and a discussion about the benefits of delaying pregnancy beyond the adolescent years as a means to better ensure a healthy future for parents and their children. Students shall be provided with statistics based on the latest medical information regarding both the health benefits and the possible side effects of all forms of contraceptives, including the success and failure rates for prevention of pregnancy, sexually transmitted infections and diseases;
  - x Incorporates age-appropriate information about teen-dating violence;
  - x Stresses that HIV/STD's and Hepatitis B/C can be hazards of sexual contact;
  - x Provides students with information about Oregon laws that address young people's rights and responsibilities relating to childbearing and parenting;
  - x Advises students of consequences of having sexual relations with persons younger than 18 years of age to whom they are not married;
  - x Encourages family communication and involvement and helps students learn to make responsible, respectful and healthy decisions;
  - x Teaches that no form of sexual expression or behavior is acceptable when it physically or emotionally harms oneself or others and that it is wrong to take advantage of or exploit another person;

December 15, 2015

- x Teaches that consent is an essential component of healthy sexual behavior. Course material shall promote positive attitudes and behaviors related to healthy relationships and sexuality, and encourage active student bystander behavior;
- x Teaches students how to identify and respond to attitudes and behaviors which contribute to sexual violence;
- x Validates the importance of one's honesty, respect for each person's dignity and well-being, and responsibility for one's actions;
- x Uses inclusive materials, and strategies that recognizes different sexual orientations, gender identities and gender expression.
- x Includes information about relevant community resources, how to access these resources, and the laws that protect the rights of minors to anonymously access the resources.
