RESOLUTION

1. The Board shall ask voters to approve a five-year local option levy in November 2019 that will provide an estimated \$99.9 million in 2020-2021; \$103.9 million in 2021-2022; \$108.1 million in 2022-2023; \$112.4 million in 2023-2024; and \$111.9 million in 2024-2025.
2. The levy revenue shall be used to fund teaching positions and classroom supports.
3. The fully allowable levy rate shall continue to be \$1.99 per \$1,000 of assessed value, which is estimated to cost roughly \$39.00 per month for a median home assessed at \$233,925 per year in the PPS district.
4. The Citizen Budget Review Committee will continue to provide independent oversight so that the funds are spent as the voters intended. The CBRC will continue to publish an annual report about the use of the

million in the first year. Over the past five years, the levy has funded an average of 825 teaching positions each year and, if approved, the renewed levy is estimated to maintain that average over the next five years.

This renewed local option levy would continue to fund teaching positions to:

Support a well-rounded education, including career and technical programs and enric

Fund teaching positions and classroom supports at every school in the district

The funds help support a well-rounded education, with enrichments for elementary and middle grades and electives in varied interest areas and disciplines for high school students.

The funds help support career and technical programs and STEM programs, including computer science education, so students can graduate with the skills necessary to be career or college ready.

Over the past five years, the levy funded an average of 825 teaching positions annually. If approved, that average will be maintained.

Academic support for struggling students is included.

Continue to provide fiscal accountability and independent oversight

This renewal maintains the existing local option levy rate of \$1.99 per \$1,000 assessed value and ensures that all funds raised are directed to the voter-approved purpose of supporting schools.

This local option requires independent citizen oversight so that tax dollars are used only for purposes approved by local voters.

Funds will be placed in a sub-account to ensure their correct use and accurate reporting.

No funds from this local option levy will be used for district administration.

Maintain the existing tax rate of \$1.99 per \$1,000 of assessed value
