Resolution Proclaiming the Celebration of National Native American Indian Heritage Month in
Portland Public Schools

RECITALS

- A. Native Americans Indians are descendants of the original, indigenous inhabitants of what is now the United States;
- B. The Portland Metro region rests on the traditional ancestral homelands of the Bands of the Chinook, Multnomah, Clackamas, Tualatin, Molalla, Kalapuya, Wasco, Cowlitz and Kathlamet tribes. Since time immemorial, these tribes established their communities in a resource rich area where they traded and fished along the rivers and harvested those natural resources that fed their families and sustained their communities. We honor the forced sacrifices of these tribes and Indigenous people.
- C. In the 1950's, under Federal Relocation Policy a large segment of the Native population in the US was forced to relocate to several major cities of which Portland was one. This has added to the diversity of tribal representation in the region;
- D. Native Americans Indians people whose history is rich with those who positively influence and enrich our nation, our society, our region, our state, and our schools through their entrepreneurship, commitment to community service, deep value of justice and liberty, and social and cultural life;
- E. On August 3, 1990, President of the United States George H. W. Bush declared the month of November as National American Indian Heritage Month, thereafter commonly referred to as Native American Heritage Month;
- F. Native American Indians have made profound contributions and continue to make advances in education, medicine, art, culture, and public service and been a consistent and vital influence in our nation's growth and prosperity;
- G. The Portland Metro's Native American Indian Community is diverse and growing with the population estimated to be nearly 70,000.
