RECITALS

- A. On April 24, 2018, the Portland Public School Board heard an appeal to the Superintendent's decision on the Step 2 appeal submitted by the complainant. The appeal was tabled in order to allow further discussion and to discuss with staff and members of the Teaching and Learning Committee.

RESOLUTION No. 5674

Approval of Head Start Policy Council Recommendation

RECITALS

- A. Federal requirements call for the Governing Board of a Head Start program to approve recommendations in the program.
- B. The Board of Directors for Portland Public Schools serves as the Governing Board for the PPS Head Start Program.
- C. Due to the fact that we are facing difficulties providing quality interventions to meet the needs of the increasing number of our children with disabilities and challenging behaviors, we are seeking a reduction of 34 slots for the 2018-19 school year. This would enable us to increase our six Classroom Support Staff from .5 FTE to .875 FTE.
- D. In order to determine the program budget for 2018-2019, the PPS Head Start Policy Council recommends a reduction in slots which will result in a permanent increase in the Federal Cost per Child allocation and will positively impact the level of future fiscal year program budgets. The reduction in slots would not impact our Head Start budget allocation.
- E. If not approved, the Program will not meet its financial obligations and/or Federal Head Start Performance Standards.

RESOLUTION

The Board of Directors for Portland Public Schools, School District No. 1J, Multnomah County, Oregon, approves the Head Start Policy Council recommendation to reduce 34 slots for the 2018-2019 fiscal year.

Decry National Policy to Separate Families

RECITALS

- A. The family – in all its many and disparate forms – is the bedrock of society and the foundation on which our educational system is built.
- B. As educators, we see firsthand the power of families in ensuring that children are well cared for and have the opportunity to learn and grow.
- C. When families are fractured, dysfunctional, or absent, our schools often must serve as surrogate parents – a role that, while necessary, is a weak substitute for the real thing. This is why we work so hard to engage families – we know that nothing takes the place of this central ballast in a child's life.
- D. Families of all kinds are critical to the well-being of children and their intellectual, social, and personal development, and they are sacrosanct to our civilization – or so we thought.
- E. Now we are witness to a national policy where families are little more than political fodder and children are so much partisan leverage. Some children separated from their families under this policy are reported to be housed in Portland. The evidence of psychological, physiological, academic and emotional damage to children who are separated from their parents is real and long-standing.

RESOLUTION

Therefore, be it resolved that the board of education condemns any policy that separates children from their families or caregivers by Immigration and Customs Enforcement (ICE) and hereby directs the Superintendent to investigate whether the District currently contracts with agencies involved with separating or housing children and youth who have been removed by ICE from the care of their families, or are illegally sharing confidential and/or sensitive child and family information with ICE and to report any findings.
