

18:22:41 From Claire Hertz : Thank you, Dani. The chat is now open.  
18:25:29 From Sheilagh Diez : I'm concerned about having this decision being made without a specific racial equity lens and accompanying conversation.  
18:25:45 From Andy Jacob : I don't think this is a "decision" yet, right  
18:25:51 From Min Cai : I agree with you Sheilagh  
18:25:58 From jackson weinberg : I do as well  
18:26:26 From Jed Roberts (FLO Analytics) (he/him) : These are straw polls.  
18:26:32 From Sheilagh Diez : @Andy, that would be my hope, but past meetings have shown that these short surveys are being used as a decision making tool which I feel is in appropriate.  
18:27:07 From Andrew Harvey : I personally think we should wait to Phase 2 to make a decision on the location of DLI programs  
18:27:12 From Rosie Lingo to Nathan Swoverland (Privately) : I don't see a poll  
18:28:12 From Claire Hertz : Can we show results to everyone before going t next?  
18:29:15 From Rosie Lingo to Nathan Swoverland (Privately) : Still have not gotten any of the poll questions - a an l

commented in our breakout group chat:

19:14:13 From Marisa Bryman : Martha, I'm sorry that I hadn't brought this up earlier, but I know that some people have discussed Arleta as a great option for a balanced co-located Spanish DLI program, because they have space for 2 strands DLI and 2 strands neighborhood in each K-5 grade. I understand the historical importance of the Atkinson program. I'm wondering if you think Arleta would be an acceptable closer-in option since the size of the building could accommodate this well?

Then Arleta and Lent could both be co-located programs that feed to Kellogg.

19:14:47 From Marisa Bryman : I'm hoping that representatives from Atkinson and Bridger might be able to share this with their DLI communities this week to get some feedback.

19:14:54 From Sondra Blair - Arleta Parent (She/her) : That's a really interesting idea

19:15:57 From Sarah Kincaid, Arleta parent : Marisa, I really like that and think the idea has value.

19:16:46 From Logan Heyerly (she/ella) HP parent / Lent Teacher : So current Bridger K-5 DLI would go to Lent?

19:16:53 From Logan Heyerly (she/ella) HP parent / Lent Teacher : Or Arleta?

19:17:37 From Sarah Kincaid, Arleta parent : It could go to Kellogg as well, I believe.

19:18:22 From Beth Cavanaugh (she/her), Hosford parent : @marisa I feel like if we come to consensus around all Spanish DLI strands feeding to Kellogg, that there are several options for k-5 locations

19:18:31 From Beth Cavanaugh (she/her), Hosford parent : that we could determine in Phase 2

19:18:33 From Marisa Bryman : I don't know how the current Spanish DLI students would be assigned

19:41:51 From Angelica Cruz : Creston is not on the list of historically underserved percentages. Could we get that data added?

19:42:04 From Beth Cavanaugh (she/her), Hosford parent : Oops I missed Creston, 30.6%

19:43:42 From Sabrina Flamoe : Rank all 6??

19:43:47 From Kristyn Westphal : @Sabrina, yes

19:43:57 From Andrew harvey : Will there be an opportunity to amend a option before we reach consensus?

19:44:16 From Beth Cavanaugh (she/her), Hosford parent : Here's the link if I missed any others!  
<https://www.pps.net/cms/lib/OR01913224/Centricity/Domain/207/Enrollment%20of%20Underserved%20Groups%202020-21.pdf>

19:44:27 From Claire Hertz : There are funds in the 2020 Bond program for updating Harrison Park. Facilities staff have started the work to plan for this change. I will ask for an update on their work, so I can bring back more information to you

20:38:02 From Beth Brett, Creston parent : With C - I am concerned about the Hosford enrollment numbers, where Creston will go and how the Chinese families at Woodstock will be supported.

20:40:00 From Min Cai : Chinese families are asked to how to support Creston, is that the question?

20:40:55 From Dee, Parent (Bridger DLI) She/Her : are we on option a now?

20:40:58 From Andy Jacob (Bridger parent) : 1 - Kellogg enrollment is too high; potentially prevents considering feeding Harrison park to franklin down the line (without franklin being too crowded)

20:41:11 From Melissa Schachner : Enrollment at Kellogg is too high.

20:41:26 From Martha Almendarez Langeland : 1- same opinion as Andy.

20:41:31 From Carissa Harrison : Enrollment at Kellogg is too high.

20:41:40 From Sheilagh Diez : ^^

20:47:01 From Dee, Parent (Bridger DLI) She/Her : @andy - yes i think we're mostly considering that option off the table all together

20:47:31 From Beth Cavanaugh (she/her), Hosford parent : @carissa agreed, but then the only differences between A and all of the B options are about the k-5 DLI placements

20:47:34 From Andy Jacob (Bridger parent) : honestly I'd love to do a "gut check" poll on that next week, and maybe on some other phase 2 considerations. I bet there's consensus we should prioritize co-located DLIs

20:47:40 From Andy Jacob (Bridger parent) : (re: dee's comment)

20:48:20 From Dee, Parent (Bridger DLI) She/Her : or remove anything that might be clearly off the table from the scenarios as it is very confusing per @carrissa Harrison's comment

20:48:24 From Beth Cavanaugh (she/her), Hosford parent : I would only consider B3; I don't think Spanish immersion should be split between different middle schools

20:48:34 From Sheilagh Diez : ^^

20:48:41 From Martha Almendarez Langland : Agree with Beth.

20:49:08 From Andrew harvey : Agree with Beth - Option B-3 is also a strain on enrollment.

20:49:59 From Dee, Parent (Bridger DLI) She/Her : 1 for the same reasons as Option A- enrollment strain

20:50:16 From Sheilagh Diez : ^^ ^

20:50:18 From Andy Jacob (Bridger parent) : 1 - in at least one version creston is overenrolled; same concern in all about taking Harrison Park to Franklin off the table without discussing it (by feeding creston to Kellogg right away)

20:50:25 From Beth Cavanaugh (she/her), Hosford parent : 1 for the same reason as option A

20:50:32 From Andy Jacob (Bridger parent) : sorry Kellogg is overenrolled, I meant

20:51:54 From Logan Heyerly (she/ella) HP parent / Lent Teacher : Do phase 1 only folks stop attending after next week?

20:52:34 From Carissa Harrison : 1- this is confusing things. B overenrolls Kellogg and I want to clarify that this is not making K-5 DLI location decisions as we were told that we were not deciding that right now.

20:52:48 From Judy Brennan : All Phase 1 schools are invited back for Phase 2

20:52:50 From Andy Jacob (Bridger parent) : @logan I thought it was the reverse; phase 2 = phase 1 + even more

20:53:01 From Andy Jacob (Bridger parent) : thanks judy

20:53:04 From Logan Heyerly (she/ella) HP parent / Lent Teacher : Ohhh ok, that makes more sense

20:53:16 From Sheilagh Diez : Judy, how much of a break do we have between phases?

20:53:54 From Alexandra Phan : Also, how long is Phase 2?

20:54:13 From Logan Heyerly (she/ella) HP parent / Lent Teacher : @andy, you're right, I just opened that first doc and looked at the original group lists

20:54:17 From Andrew harvey : We are apparently doing this and the pieces left will fall on HP?

20:54:38 From Logan Heyerly (she/ella) HP parent / Lent Teacher : I don't think there's enough voices here for many communities

20:54:49 From Judy Brennan : We are looking at a February restart--hopefully enough time to expand the group, and make some of the process improvements you all have talked about

20:55:06 From Andrew harvey : @logan yes

20:55:21 From Sarah Kincaid, Arleta parent : Inclusion in this process has never been ideal or right.

20:56:08 From Andy Jacob (Bridger parent) : for what it's worth, I don't think we have to confirm that creston feeds hosford if we go with option C. we're reserving some options to discuss in phase 2

20:56:47 From Beth Cavanaugh (she/her), Hosford parent : As we are making decisions that impact both the Woodstock and Harrison Park Chinese immersion communities, I think it's really important that there is equal representation for those groups. I know a lot of pressure and responsibility has been put on Min, but I do feel that we have heard a lot of feedback from the community through letters and emails from the Woodstock/Hosford/Cleveland community.

20:56:56 From Dee, Parent (Bridger DLI) She/Her : also, does creston have to replace Woodstock? did i miss that tradeoff somewhere? can creston and Woodstock go to Cleveland?

20:57:15 From Beth Cavanaugh (she/her), Hosford parent : @Dee I think both could go to Cleveland but maybe not Hosford

20:57:23 From Andy Jacob (Bridger parent) : I'm hearing the concern is that IF creston were to feed hosford, there wouldn't be room for Chinese DLI there

20:57:28 From Andy Jacob (Bridger parent) : (@Dee)

20:58:22 From Sheilagh Diez : I'm hoping that PPS will be able to share goals and specific steps that will

betaken before Phase 2 begins to ensure greater representation.

20:58:34 From Dee, Parent (Bridger DLI) She/Her : @beth and andy, thanks for the clarification. is there potential for hosford to be adjusted from the north to ensure fair access for se schools? something to keep at the forefront in phase 2

20:58:45 From Logan Heyerly (she/ella) HP parent / Lent Teacher : Yes, that is something I would like to know also @sheilagh

20:58:46 From Beth Brett, Creston parent : Hosford isn't able to absorb another school at this point. The
