

Administering medication to students and self-medication by students may be necessary when the failure to take such medication would jeopardize the health of the student or the student would not be able to attend school if medication were not made available during school hours. Consequently, the District may administer or a student may be permitted to take prescription or nonprescription medication under the following conditions:

1) District Administration of

(2) Student Self-Administration of Medication.

- A) A student may be allowed to self-administer a medication as prescribed by an Oregon licensed health care professional, upon written and signed request of the parent/guardian and subject to age-appropriate guidelines. The parent/guardian must provide a signed prescription and a written and signed confirmation the student has been instructed by the Oregon licensed health care professional on the proper use of and responsibilities for the prescribed medication.
- B) The District may revoke the permission given to a student to self-administer medication.

(3) Handling of Medication.

- A) Prescription and nonprescription medication will be handled, stored, monitored, disposed of and records maintained in accordance with established District procedures governing the administration of prescription or nonprescription medications to students, including procedures for the disposal of sharps and glass.
