Precalculus 1-2

Name: Samia Estassi Contact Info: sestassi@ pps.net

9-12

Room: S-159

Type of credit: Mathematics # of credits per semester: 0.5

Successful completion of Advanced Algebra 3-4.

This courseds a second year AP Calculus class.

Hello and welcome to Precalc! I look forward to creating Will Tond

without the use of a graphing calculator. After successful completion of this course, students should move on to AP Calculus AB and/or AP Statistics. Note: A TI-84 graphing calculator is highly recommended for this course. Please see Section 3. PPS Graduate Portrait. The following standards will be explored in the course: **Functions** Interpreting Functions Interpret functions that arise in applications in terms of the context. Analyze functions using different representations. **Building Functions** Build new functions from existing functions. The Complex Number System Perform arithmetic operations with complex numbers. Represent complex numbers and their operations on the complex plane. Algebra Seeing Structure in Expressions Interpret the structure of expressions. Arithmetic with Polynomials and Rational Expressions Rewrite rational expressions. **Creating Equations** Create equations that describe numbers or relationships. Reasoning with Equations and Inequalities Solve systems of equations. Trigonometric Functions Extend the domain of trigonometric functions using the unit circle. Model periodic phenomena with trigonometric functions. Prove and apply trigonometric identities.

Indusive and Collaborative Problem Solvers Inquisitive Critical Thinkers with Deep Core Knowledge Positive, Confident, and Connected Sense of Self I will provide the following supports specifically for students in the following programs: I will make all necessary IEP and 504 accommodations and provide enrichment opportunities. I will provide support for English Language learners through multiple forms of presentation and regular check-ins. Career Related Learning Experience (CRLE) #1 Career Related I earning Experience (CRLF) #2 Complete a resume Complete the My Plan Essay Will facilitate the creation of our Shared Agreements that respects and celebrates each student's race, ability, language, and gender in the following way(s):		I will help students grow their knowledge and skills in the following aspects of PPS's Graduate Portrait:

We will create classroom norms focused on respect and compassion while honoring cultural identity and gender equality during the first two weeks of school. I vnorm

I will provided the following materials to students: TI-84 calculators (in class), rulers, markers Please have the following materials for this course:

Composition notebook (grid or graph ruled) for use exclusively in their math class 3 ring binder

Here is a link to resources that are helpful to students during this course:

AP Classroom

The following are resources available for families to assist and support students through the course: Khan Academy Precalculus

As students move through the learning journey during specific units/topics, I will assess & communicate their in the following ways:

Regular feedback on formative and summative assessments such as openers (self-check), quizzes and tests.

As we complete specific units/topics I will provide the following types of opportunities for students to provide evidence of their abilities:

Unit tests, group or individual

the semester:

Synergy Student Vue or Parent Vue

I will update student grades at the following frequency:

After each assessment

I will communicate the following marks on a progress report:

Mark: D/F-Level Meaning of the mark: Needs revision or recompletion

Mark: C-Level Meaning of the mark: basic understanding Mark: B/A Meaning of the mark: Enhanced understanding

The following system is used to determine a student's grade at the end of the semester:

Synergy

Assessments (90%) and daily quizzes/homework (10%)
